

MITTUNIVERSITETETS
FÖRENADE STUDENTKÅRER

Scholarships

Mid-Sweden University has a foundation called Studenternas Stipendiestiftelse. The founders of this foundation is the student unions attached to Mid-Sweden University; Härnösand, Sundsvall and Östersund. The purpose of the foundation is to promote education and research within our region.

Eligible applicant is a student that belongs to any of the student unions mentioned above and that has fulfilled their obligations towards their student union.

Scholarship may be granted to promote the following purposes:

- To support basic and advanced education and research that is performed at Mid-Sweden University. Under special consideration also to function as a support to final, and scientific essays.
- To promote international exchange programs.
- To support and incite interest in a scientific profession.
- To cover travel expenses, domestic or abroad that will make significant impact to the course or research.
- To support students that is socially challenged due to illness, disablement etc. in order to reach an academic degree.

How to apply

Application for scholarship is performed on a specific form that is turned in to the student union at your campus at Mid-Sweden University. The form is handed out at the student union office. Please not that the form need to be filled out correctly in order to be taken under consideration. Forms that are not correctly filled or forms that lack vital appendices will not be handled or considered. Also, forms that are turned in to the student union after the expiration date will not be considered.

Expiration date for applications

March 1st.

Scholarships will be handed out before the end of the spring semester, usually in conjunction with graduation day.

Application form

The application is general and handled by the scholarship foundation. The application is filled out on a specific form that is handed out at the student union office at your campus.

Responsibilities

If granted the recipient of the scholarship is obliged to report for their expenses. This is done either by an essay or a written statement explaining for the expenses.
